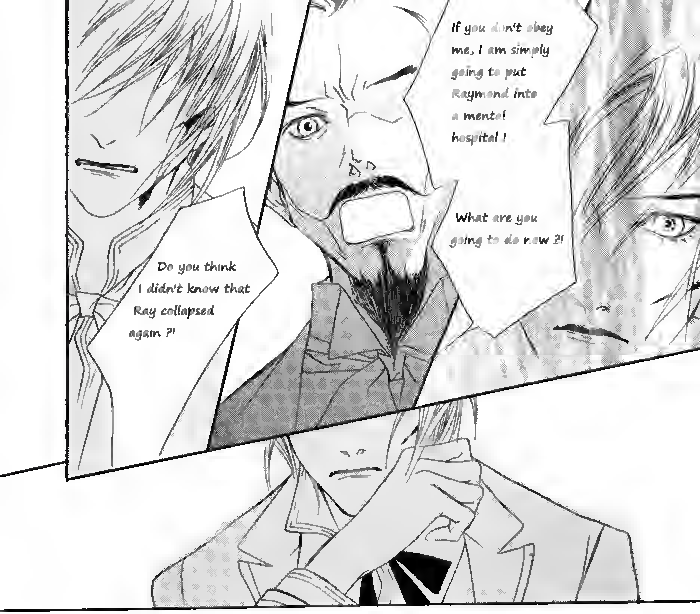
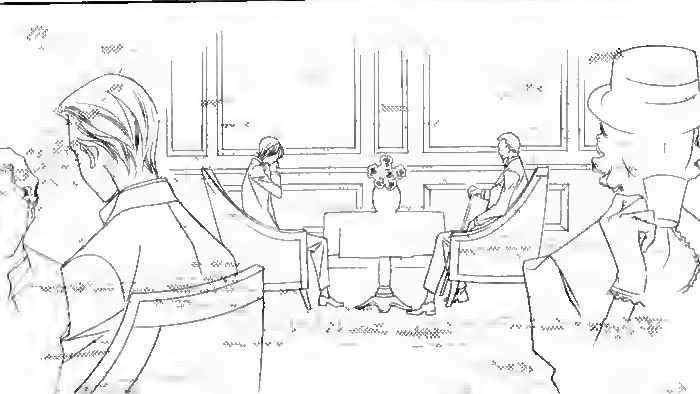
What brings you here ?
There will be a social party hosted by the Chester family
I want you to attend.
How sudden.
You know that I do not attend to these social meetings.
You are going to meet someone there, so you must attend
If it is a woman, I refuse
You must have a fiancee by now. You do not and that is why there are gossips about you

These gossips are truth
I am not interested in women. I thought you figured out by now
...
If it is about inheriting the family give it Ray
I am not about to let some weakling to inherit the family

Even if you are his father, I will not allow to say such things about him, sir
It is you who needs to know where you stand !



If you don't obey me, I am simply going to put Raymond into a mental hospital !
What are you going to do now ?!
Do you think I didn't know that Ray collapsed again ?!



So, I guess Euan Kensington is finally getting shackled now ?

I must say I am envying the Chester family...

Is that jealousy or sympathy ?

Oh, my my... please do not misunderstand me.

I will say that I am indeed jealous. Even if by force and law... I want him to be mine

What happened ? Your face.
Ah ? It's nothing
What brings you here ?
That is my line. What are YOU doing here while leaving Ray alone?
I have my own problems.
Do you want me to get rid of the woman for you ?
What ?

Come on, don't act like you don't know. You are too popular to hide anything
Euan Shepard Kensington ?
I am Helen
Helen Chester

Haven't you heard about me ?
I thought I was quite popular.
Miss Chester,
I cannot love women.
Oh, well,
I've seen a lot of boys claim that in their youth.
But men have their duty to upkeep and fellow, do they not ?
You are no exception.

Once you sattle down and get a good taste of women,
it will go away naturally.
I believe that your father has told you.
Our families expect an engagement in two weeks, sir

I guess ... I really have no other way out this time ...

He's asleep
I will take him home.

Jeremy ?
This must be some sort of a dream ...
You would not come to see me voluntary

What did he say ?
He told me stay well
Haha
I guess he wanted to play a father once in a while ?

Life is good for man.
The man had a woman before the marriage
His supposed wife found about that they even had a child
Yet, the wife cannot purpose a divorce.

And the man does not fully realize that it was his wife's family's powers
That got him in the rank of duke.
So, have fun while you remain as a male.

What is this ?

When the time comes and I tell my husband the truth,

Consider this as a payment for all your work.

You will have to disappear as well

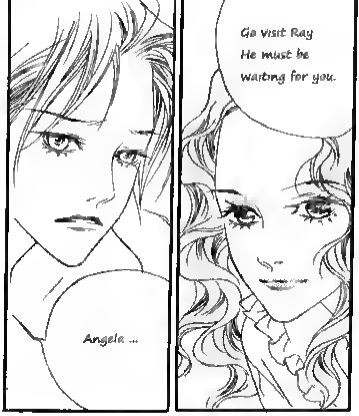
I had forgotten that I would be thrown out of the school
when she feels like she doesn't want to put up with this...
It could be a year from now on.
Or even a month
Or even tomorrow
I had forgotten.

Good morning, Euan.

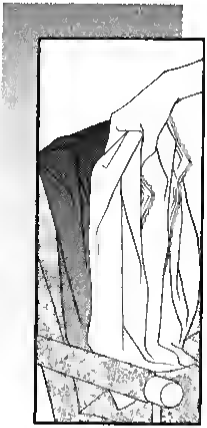
Angela ? Why are you here ?
Don't you remember ?
You got drunk and fell asleep here

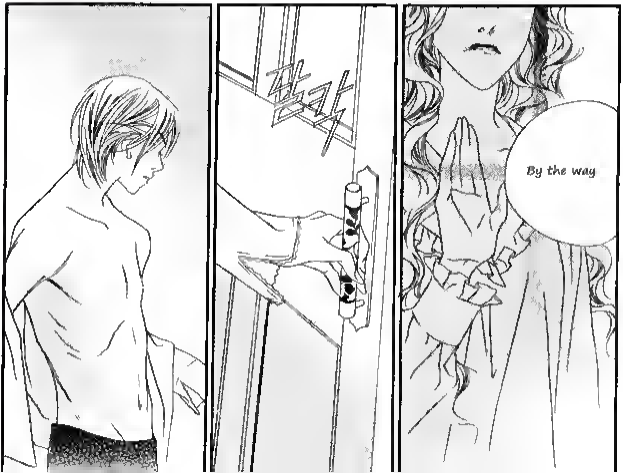
Oh, my God...
It's not Jeremy but Angela!

I am not a kid.
I won't burden
you with this.
Don't worry
It was a
drunken mistake
That is all
So, what do
you say -
That we keep this
just between us.

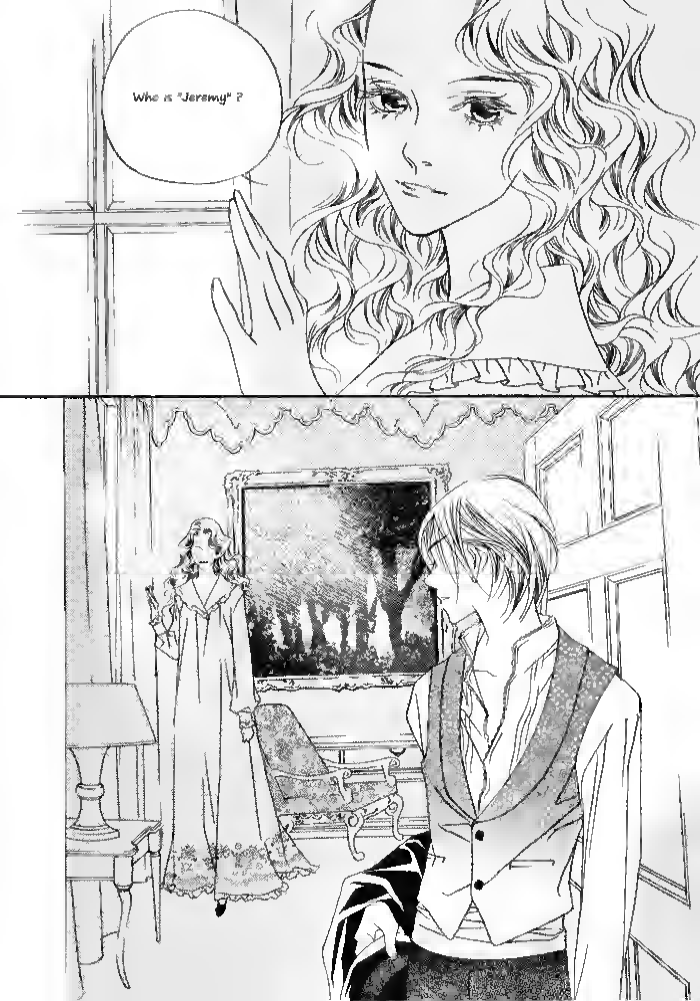


Angela ...
Go visit Ray
He must be
waiting for you.





By the way



Who is "Jeremy" ?

He is sleeping.
I am just going to see his face and leave.
드르륵

Well, you seem to be peaceful.
You have absolutely no idea what is going on, don't you.
When I
that I
to
In the
I just wanted to

달칵
What are you doing ?
Ah, well ...
I was passing by and thought I'd pay a visit ...

Excuse me
Don't pay too much attention on Ray
Pardon ?
Keep a distance from Ray
... I was just wondering how he was doing.

I missed my chance to ask you this but
What did I say ?!
What did you see ?!
Did Ray tell you anything while he was sleep walking?
Did I say something to you ?!

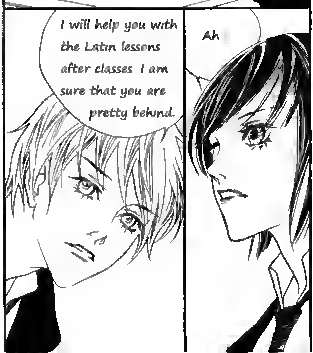
It's the same question.
Just what had happend to Ray before...

No... nothing.
Alright, leave.

Ah, it's you

Did something happen ?
I think someone was caressing my hair while I was asleep.
I thought it was a dream. It was you
...
Yes.

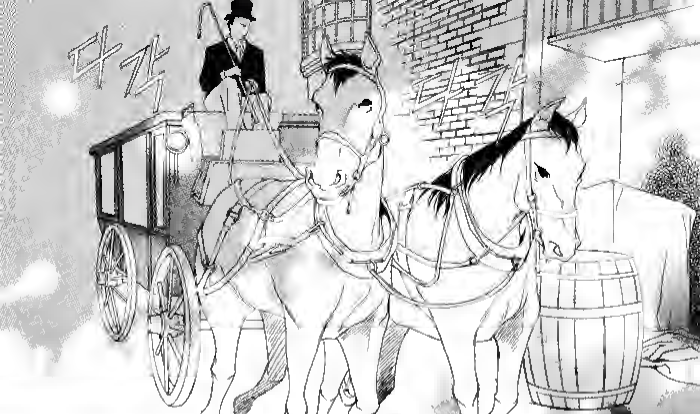
How was the hospital life ?
Nothing special All I did was sleep
You are a sleeping prince who woke up by your fiancee's kiss.. eh ?



I will help you with the Latin lessons after classes I am sure that you are pretty behind.
Ah

About that.
I have someone else doing it for me now.
Someone else ? Who ?
Well—
You don't know him
Fine.

This is weird.
After seeing the two of them from the hospital.
I have a hard time confronting Ray.



I wonder why he has called us out all of a sudden.

I also have no idea.
But he has never brought us good news when he did this.

Hello, Ray.
And Euan.
Angela

I've called you two here.
Because I need to make a very important announcement
Due to various factors and reasons, I've had no choice but to break the engagement between Angelo and Raymond
Pardon ? What did you ... just say ?

And an engagement between Euan and Angela will be arranged instead.
Angela !
Etiquette, Euan.

Fortunately, Angela's family is in full agreement of this change
The date for formal engagement party will be arranged very soon.

Ray !
Euan !
Sit down !
Ray,
hear me out !

Something is wrong.
I will fix this
Fix what and what could you do ?
Although he didn't specify the reasons,
It's obvious.
What ?
It's because I am not normal
It's not surprising that Angela doesn't want me. I mean it's for her future.
If I were her I would have done the same.
Ray...

What do you mean, not normal ?
You didn't do anything wrong Quit blaming yourself
What else could it be then ?
What else is there ?
I can't tell you right now but I swear that it's not you
Enough stop trying to make excuses.
Wh –

I will excuse myself
Ray - !!!

....You told father about the night ?
I thought it was supposed to be just between us ...
Yes.
I've told no one about it.
But that does not mean you can just walk away after what you did to me.
I thought ... we were just going to forget about it.
I do not remember making such a promise
But if you want that

I will have to -
Tell Raymond everything.

Raymond's engagement was broken.
That was big enough to be talked about.
And with his former fiancee being engaging to his older brother, Euan ...
The news became the hottest news in the school. Everyone was talking about it.
Source of the news remained unclear
Some say it originated from a female private school. Some say a cafe worker was the source.
Regardless, what was really important was that everyone loved talking about it ...

About Ray and his sleep walking
I don't know the full detail.
How did he start sleep walking ? Has he had it since birth ?

he's

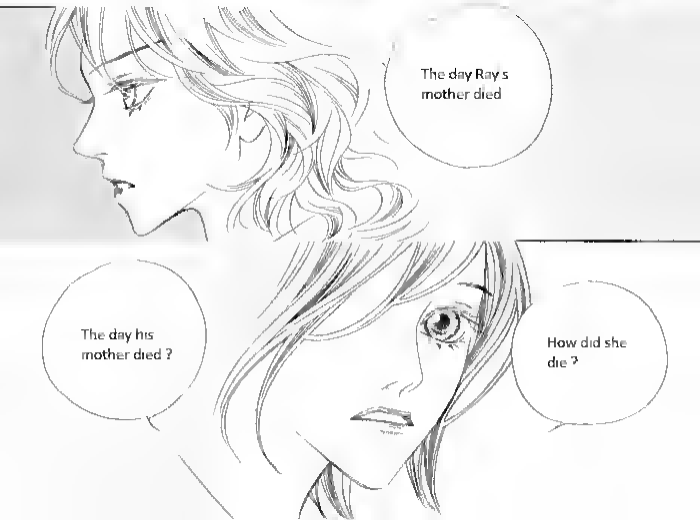
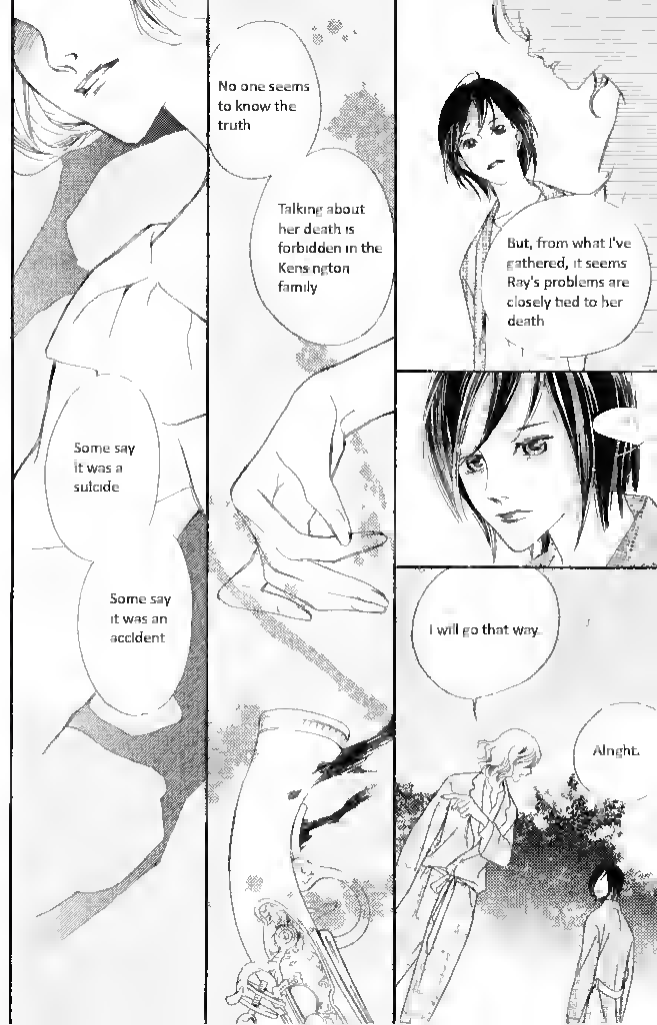
In his younger days, when the day was near, he wasn't even allowed outside.
"The day" ?



The day Ray s mother died
The day his mother died ?
How did she die ?



No one seems to know the truth
Talking about her death is forbidden in the Kensington family
But, from what I've gathered, it seems Ray's problems are closely tied to her death
Some say it was a suicide
Some say it was an accident
I will go that way.
Alright.

If his mother did commit suicide,
watch the event.
If it did happen as I assume...
Perhaps, it's only understandable that he became weird...
